RE: FREEDOM OF INFORMATION REQUEST

Please be advised of the following in relation to your request.

Question 1 The number of fires your crews have attended at buildings with ACM cladding (listed on the Government website) since 14 June 2017.

There is no list on a Government website for Northern Ireland.

NIFRS are assuming the question asked is referring to domestic high rise residential buildings over 18m fitted with ACM. NIFRS has attended one incident in such a building, which was a fire on the 1st floor balcony of a vacant flat. The location of the fire was not near to any ACM cladding.

Question 2 The number of fatalities caused by fires at buildings with ACM cladding since 14 June 2017.

The answer is Nil.
